President, University of Toronto

Re C. H. Bosh (Sgt. #341718)

Dear Mr President

For the successful prosecution of his studies it is essential that my nephew, C.H. Bosh, should be discharged from the Army at the earliest possible moment. He enlisted as a volunteer (not drafted) in 70th Battn last May at the age of nineteen years. He went to England in 2nd Tanks and was returned Dec 10th. Being given 14 days leave he registered at the University on Dec 11th as a second year student continuing his course in the Physiological and Biochemical course

WYCLIFFE COLLEGE
TORONTO

At present he is on a sleeping out pass which requires his attendance at the Exhibition Camp at 8.00 am to 4.30 pm every day. As he has started his medical subjects, he is anxious not to miss any lectures. He has the necessary Christmas examinations just past.

It is the practice of the military authorities to facilitate the discharge of medical students but they do not seem to know that R.C.D. course is also medical.

Mr Bush was born in East Pembroke, Maine U.S.A. and resided there until he came to Toronto.

The ordinary routine of discharge would take some days. If it can be expedited it will make possible his attendance at lectures and lab.

His Officer is O.C. #2 Casualty Unit. M.D. #2 C.E.F.

Thanking you for your interest

Yours sincerely

W.T. Hallam
